

# Navigating 2026: the Power of Perspective

Featuring Mike Ryan, Divisional Vice Chairman, UBS Global Wealth Management

The Cantrell Reinbold Mosley Group invites you to breakfast with Mike Ryan, Divisional Vice Chairman for UBS Global Wealth Management.

Mike offers a candid perspective of the macro signals most likely to shape the global environment in 2026, including economic forecasts, policy shifts, and global developments. He has a reputation as a leading market expert and his insights are framed by his 35+ years of market experience. Previously, Mike led over 50 US-based research professionals as Chief Investment Officer Americas for UBS Global Wealth Management and served on the Global Investment Committee.
