

# Private Equity Strategies

Please Join Us for an Educational Conversation on Private Equity  
Do these investments fit into your investment goals?

This in person conversation will provide deep insight into the following topics:

- What are private investments, potential benefits and risk, and how investors should view them as part of a long-term diversified portfolio.
- Why private capital matters in today's ever-evolving economic environment.
- Differences between public and private managers and how private managers are leveraging their opportunity set to generate performance and reduce volatility.
- How fund managers like KKR are driving business value after completing an acquisition including some recent examples.
