

Quite the honor!

A prestigious recognition of this **talented team**

Congratulations to Posluszny Wealth Management on being named to the *Forbes* Best-In-State Wealth Management Teams list for 2023.

The *Forbes* rating is compiled by SHOOK Research and awarded annually in January, based on information from a 12-month period ending March of the prior year. Eligibility is based on quantitative factors and is not necessarily related to the quality of the investment advice.

This team has been recognized for leading the way in providing exceptional experience for their clients. This recognition is a testament not only to their talent but also to their ability to collaborate and problem-solve, always putting clients first and empowering them to pursue what matters most to them. We invite you to explore what this level of dedication could mean for you and your family.
