Backed by the global resources of UBS

With more than 160 years of wealth management experience at its core, UBS focuses on providing relevant guidance, differentiated global perspectives and diverse strategies and solutions for private, corporate and institutional clients worldwide. Drawing upon an integrated mix of investment banking and asset management businesses, we access the deep resources and wealth management expertise of this firm to deliver the financial advice our clients seek today to confidently move forward.

How do you sell a business that has defined you, transition from a purposeful career into retirement, or provide for loved ones after you're gone? With success comes critical and often challenging conversations that are paramount to sound financial health.

These conversations are often fraught with subjective emotion. That's why it's important to have financial advisors with the knowledge, experience and compassion to help you navigate all aspects of your financial life.

Whether helping our clients understand the fluctuating financial markets, structure a business succession plan, keep up with new tax laws or map a legacy plan for the next generation, The Howard Group provides comprehensive support through objective guidance.

With the backing of the world's largest wealth management firm, UBS, our team can provide you with the vast, global resources necessary to navigate today's ever-changing world.
